

X-RAY Lady Bermuda Cruise

6 Nights on board the Celebrity Summit September 2- 8, 2012

It's the London feel with Bahamas weather. In Bermuda, you'll enjoy British customs such as an afternoon cricket match and high tea or a rousing round of golf on one of several world-famous courses. King's Wharf has something for everyone. Sample typical island food and stroll through the shops and museums of the Royal Naval Dockyard, an impressive military fortress built in 1815. Sail the clear waters of Hamilton Sound. Find quaint gems at the Bermuda Arts Center and Craft Market. Or have a close encounter with dolphins at Dolphin Quest, where you can swim, dance and kiss these magnificent sea creatures.
